DISTRICT SUPPORT PLAN FOR LITERACY	
Data Analyzed to determine needs	ESSA Index Reports, ACT Aspire, iReady, Dibels, ACT score reports

<p>Goals for improving reading achievement throughout the district</p>	<p>Increasing student grading performance on the reading portion of ACT Aspire (grades 3-10) by 5% when tested in the spring of 2023. Increase overall student performance in iReady (grades k-2) by 5% from August ISIP to April ISIP. These goals will be met through the following district initiatives.</p> <p>Specific Goals Include:</p> <ol style="list-style-type: none"> 1. Provide support from highly trained personnel to support initiatives targeted to impact students that show characteristics of dyslexia. 2. Provide support from the district level to align English Language Arts curriculum and resources including: Brainspring, Structures, 95% Group, Heggerty, Flyleaf small-group reading and Wit and Wisdom. Additionally, offer professional support, and share best practices through PLCs. 3. Utilize resources provided by our local education cooperative, Wilbur D. Mills Co-Op. 4. Continue to implement Science of Reading through Phonics First and Structures (Brainspring) instruction. Teachers also utilize Heggerty K-2, Kilpatrick 3-5, and 95% Group 6-12 for tiered interventions. Lonoke Elementary teachers (3-5) were trained in R.I.S.E. and filter instruction and interventions through the evidence-based practices. Writing instruction is addressed through Wit and Wisdom and craft writing mini lessons needed based on student data. 5. Provide remediation opportunities for students at LHS through RTI and MyFlex Planner. Additionally, we will provide computer-based remediation for K-8 through iReady and diagnostic testing for K-11 (9-11 with School of Innovation students) through i-ready. 6. Provide certified reading interventionists. 7. Provide a Critical Reading course and professional development for staff to implement in 9th grade. 8. Strategic Reading will be provided for all 6th graders, along with professional development for that teacher.
<p>Prioritization of funding, including without limitation enhanced student achievement (ESA) state categorical funds to improve reading achievement throughout the district.</p>	<p>Goal #1: Support staff are being paid from ESA and Title I for the time allotted for these interventions.</p> <p>Goal #2: Portion of Curriculum Director's salary paid from ESA.</p> <p>Goal #3: Wilbur Mills is paid through professional development funds.</p> <p>Goal #4: Brainspring materials and professional development are paid from ESA, Title I, and professional development funds.</p> <p>Goal #5: ESA funds will support remediation at LHS in areas where students were not successful. These funds are also used for student books, including non-fiction texts. Title 1 funds pay for iReady.</p> <p>Goal #6: Title 1 funds pay for reading interventions.</p> <p>Goal #7: The District was awarded the SOAR grant to purchase curriculum for ELA, Grades 9-12.</p>

Literacy Curriculum and professional learning that is aligned to the Science of Reading .	Pre-K-2	3-5	6-8	9-12
	Heggerty (Phonemic Awareness)	Kilpatrick (Phonemic Awareness)	95% Group	95% Group
	Brainspring Phonics First	Brainspring Structures	Brainspring Structures	Brainspring Structures

We are using 95% of the group for an intervention tool for K-12. This addresses the bottom portion of Scarborough’s Rope. In order to address the top portion of Scarborough’s Rope, the district is using Wit and Wisdom k-8. Additionally, we would like to add 95% Group Multisyllable Routine Cards Digital Presentation .

Teachers at grade levels 6-8 are using Structures with our struggling students, but will work to bring that instruction mainstream in the general education classroom. In addition to Phonics First and Structures, we use Kilpatrick one-minute drills and Heggerty practices to address the phonemic awareness component during Dyslexia interventions. Additionally, we are using Rite Flight to address fluency and comprehension during dyslexia interventions.

Plan of Evaluation

- The district will evaluate the school level plans for progress through follow up and presentation of data that supports growth (or if growth is not on pace) in monthly administration meetings.
- Classroom data (fluency checks, progress monitoring, common assessments, reading behaviors check lists)
- Data from assessment programs (I-Ready, Moby Max, DIBELS, & Educator Effectiveness System) will be used to measure student and staff growth.
- Monthly principal meetings are scheduled checkpoints for district level administration to review data. (Specific dates set based on administrative meetings for the month)
- District level administration will provide support at schools with building administration as evidenced in LEADS, Walk-throughs, Rtl support, SoR support, and Phonics First look fors will be areas for support and growth in each building.
- Student progress will be determined by examining increases in student reading achievement and scores from iReady and ACT Aspire, Growth in Phonics First assessments and other initial screeners will also be monitored for progress.
