

Lonoke School District will provide meaningful instruction in accessible, flexible pathways that meet the needs and requirements of each of our students. We will evaluate our process weekly to refine and augment areas that need additional support. We will continue to provide services and support that are included in a student's IEP or 504 plan for continued academic engagement throughout this process.

Unfortunately we received word that we will not be able to serve lunches/breakfast meals for Saturdays and Sundays. If this changes, we will let you know and of course provide services as we can.

## **LPS (K-2)**

### **Curriculum and Instruction**

All core instruction K-2 will be provided through PBS AMI (Channel 2 on your TV) and supported through Google Classroom. This will air daily from 8:00-9:30 am. This requires AMI materials to be available to all students. Along with the April 1st distribution of packets, they may be picked up Wednesday at schools in designated zones for pick-up and drop-off. These packets will correspond with the information being shared on PBS. Each school will provide a designated place for pick up that is accessible at all hours. Along with PBS Lonoke Primary School will use Google Classroom to push out Phonics and Heggerty lessons.

\*If you miss the airing from 8:00-9:30 am, remember that it will be broadcast online after 4pm.

## **Communication**

All teachers will have office hours from 10:00-12:00 (M-F) via email, Remind, or text messaging. During this time, Mrs. Lucia will be available to facilitate and translate for our Spanish families.

LPS office personnel are accessible by phone M-F 8:30-3:30 to answer questions and support our families. All parents need to check their Remind each day for ongoing communication. Please make all communications with teachers during office hours from 10-12 daily. During the week, questions should be answered within 24 hours of the question/concern. Parents if you have any questions or concerns do not hesitate to contact the building principal at [dean.campbell@lonokeschools.org](mailto:dean.campbell@lonokeschools.org)

## LES (3-5)

### Curriculum and Instruction

All core instruction 3-5 will be provided through DESE-supported PBS AMI Platform and supplemented through Google Classroom. This will be aired daily from 9:30-11:00 am. This requires AMI materials be available to all students. Along with the April 1st distribution of packets, they may be picked up at the school Monday - Wednesday from 9:00-11:00 am. Along with PBS, LES will utilize Google Classroom to push out other essential lessons. Every grade level 3-5 will participate in a novel read-aloud and Phonics/Structures Lesson that will be available on Google Classroom, Facebook, and Dojo. These videos will start April 6.

\*If you miss the airing from 9:30-11:00 am, remember that it will be broadcast online after 4pm.

### Communication

Lonoke Elementary teachers will have office hours daily from 10:00 - 12:00 (M-F) via email, Dojo, or text message. During this time, Mrs. Rameirez and Mrs. Richardson will be able to facilitate and translate for our families in which Spanish is their first or preferred home language.

LES office personnel are accessible by phone M-F 8:30-3:30 to answer questions and support our families. All parents need to check their classroom DOJO each day for ongoing communication. Please make sure that all communications with teachers happen during designated office hours 10:00am-12:00pm. During the week, teachers and administrators will answer questions within 24 hours of submission. Parents if you have any questions or concerns do not hesitate to contact the building principal at [matt.binford@lonokeschools.org](mailto:matt.binford@lonokeschools.org)

## LMS (6-8)

### Curriculum and Instruction

All core instruction 6-8 will be provided through DESE-supported PBS AMI Platform aired daily from 11:00am-1:30pm and supported through Google Classroom. Along with the April 1st distribution of packets, they may be picked up at the school Wednesday, April 1st and every Monday thereafter. This will be in a designated location for families to access at any time.

\*If you miss the airing from 11:00 am-1:30pm, remember that it will be broadcast online after 4pm.

## LHS (9-12)

### Curriculum and Instruction

#### Traditional Classes

All 9-12 teachers will utilize Google Classroom to provide instruction to students through videos as well as other resources such as Virtual Arkansas. Students without internet will be provided a packet that is closely aligned with the work assigned on google classroom.

#### Envision Classes

Envision students will continue utilizing the Onfire LMS platform to access essential curriculum only. AMI packets will be available for those students without internet access.

## Communication

LHS office personnel are accessible by phone Monday - Friday 8:30-3:30 via email, Google Classroom, and by phone to provide clarification and assistance on assignments. Teachers will have office hours that will be placed on the school website as well in Google Classroom.

## Special Services

### OT/PT

Allied will offer three different avenues for providing these services. Our staff will contact you to determine which avenue best meets your needs:

1. Telehealth - must have internet
  - must have a parent or caregiver present during the session
  - need to know what day and time

2. Clinic is open - Students can be seen in either clinic. Allied therapists are practicing appropriate distancing and proper cleaning of surfaces and areas at the clinics. The parent may want to take the students to either clinic or even to another safe location.

Clinics are located at:  
1500 Wilson Loop, Ward  
5332 JKF Blvd. North Little Rock.

3. Through AMI packets which Allied will develop for each student that is unable to be served through # 1 or # 2 above.

### **Speech**

AMI packets will be sent with directions and links to online materials that will address your child's needs.

### **Annual Reviews**

Will continue as scheduled. They can be conducted via telephone or any other popular application that allows for video chats.

Parents will receive notices beginning this week. If the scheduled time is not acceptable, email your child's teacher or call the special education office and leave a message at 501-676-7066.
