1: Jointly Developed

Describe how the School works with parents and families to develop and review relevant plans, policies, and strategies related to engagement.

Guiding Questions

- **1.1:** *How does the School - in collaboration with parents - establish an engagement plan that reflects the specific academic improvement needs of the School, and that includes programs and practices that enhance engagement and address the specific engagement needs of students and their families?*
[A.C.A. § 6-15-1702(a)]
- **1.2:** *What efforts have been made to ensure adequate representation of parents and families of participating children in the process (Title I families)?*
[ESSA § 1116(c)(3)]

At the beginning of each school year, Lonoke Middle School involves parents, students, and other stakeholders in the review, update, and improvement of the school parent and family engagement plan. These efforts are to meet the changing needs of parents in partnering with our school. Parents

Lonoke Middle School - 2024-25 Arkansas Engagement Plan

are able to ask clarifying questions in a small group setting.

During scheduled PIE (Partners in Education) meetings with our parents, any concerns voiced by parents will be passed along to the administration.

We want parents to feel needed and wanted in our building. The past couple of years have made this task quite difficult. We know and understand that our parents are a child's first educators. We hope that parents will be able to make the transition back to becoming partners with our school.

2: Communication

Describe how the School will communicate with and distribute information to parents and families.

Guiding Questions

- **2.1:** *How does the School distribute an informational packet appropriate for the age and grade of each child annually, ensuring it include:*

 - *schedule of activities planned throughout the school year*

- **2.2:** *How will the School ensure information related to school and parent programs, meetings, and other activities is provided to parents in a format and in a language that parents can understand (to the extent practicable)?*
 - *How is relevant information provided in a variety of ways? (For example, paper copies made available, as well as social media posts, website links, parent apps, etc.?)*
[ESSA § 1116(e)(5)]
- **2.3:** *How does the School offer flexible opportunities for meetings with families?*
[ESSA § 1116(c)(2)]

Our Parent and Family Engagement Plan will be available for all to view on our school's website along with the contact information of the Parent Facilitator.

The plan is written in an understandable and uniform format, to the extent practicable, and provided in a language that all can understand, and that the informational packet is appropriate for the age and grade of each child. On our website, you will find a version in English and Spanish.

We will distribute through the beginning of the year information packet that includes:

Our plan stresses the importance of regular two-way, meaningful communication through email, text messages, phone calls, and face-to-face conferencing.

Administrators and educators in the building try to build and develop a partnership to help children achieve the challenging State academic standards through various methods of communication.
