## **8.4—NONCERTIFIED PERSONNEL REDUCTION IN FORCE**

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a reduction in force, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards of Accreditation for Arkansas Public Schools and/or the North Central Association; and the needs of the district. A reduction in force will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any reduction in force will be conducted by evaluating the needs and long- and short-term goals of the school district in relation to the staffing of the district.

If a reduction in force becomes necessary, the RIF shall be conducted separately for each occupational category of classified personnel identified within the district on the basis of each employee's years of service. The employee within each occupational category with the least years of experience will be laid off first. The employee with the most years of employment in the district as compared to other employees in the same category shall be laid off last. In the event that employees within a given occupational category have the same length of service to the district the one with the earlier hire date, based on date of board action, will prevail.

All credited years of service must be verified by documents on file with the District by October 1 of the current school year. Each employee's length of service shall be ranked within the category in which he/she has been assigned within the last two years, including the current year. In the event that an employee's assignment is different this school year from the previous school year, separate point totals shall be developed for each category of assignment. All non-certified employees shall receive a listing of the personnel within their category with corresponding point totals. Upon receipt of the list, each employee has ten (10) working days within which to appeal his or her assignment of points with the superintendent whose decision shall be final.

Total years of service to the district shall include non-continuous years of service; in other words, an employee who left the district and returned later will have the total years of service counted, from all periods of employment. Less than a semester in any contract year does not count as a year of service. Length of service in a certified position shall not count for the purpose of length of service for a non-certified position. There is no right or implied right for any employee to "bump" or displace any other employee.

In the event the district is involved in an annexation or consolidation, employees from all the districts involved will be ranked according to years of service. A year of employment at an annexed or consolidated district will be counted the same as a year at the receiving or resulting district. No credit for years of service will be given at other public or private schools, or for higher education or Educational Service Cooperative employment.

Pursuant to any reduction in force brought about by consolidation or annexation and as a part of it, the salaries of all employees will be brought into compliance, by a partial RIF if necessary, with the

#### **8.4—NONCERTIFIED PERSONNEL REDUCTION IN FORCE - continued**

receiving district's salary schedule and further adjustments made if length of contract or job assignments change.

If an employee is non-renewed under this policy, he or she shall be offered an opportunity to fill a vacancy for which he or she is qualified for a period of up to two (2) years. The non-renewed employee shall be recalled for a period of two (2) years in reverse order of the layoff to any position for which he or she is qualified. Notice of vacancies to non-renewed employees shall be by certified mail and they shall have 10 working days from the date that the notification is received in which to accept the offer of a position. A lack of response or a non-renewed employee's refusal of a position shall end the district's obligation to replace the laid-off teacher.

## **8.5—NONCERTIFIED PERSONNEL LEAVE FOR ILLNESS**

1. Full-time employees shall be allowed sick leave, at full pay, at the rate of one day per month or major portion thereof that the employee is contracted, accumulative to ninety (90) days. Such leave shall be in force beginning with the first day of the first school term for which each employee is employed. If any employee leaves or resigns their position for any reason before the end of the school term, the district shall deduct from the last pay check full compensation for any sick leave days used in excess of the number of days earned.
2. Employees may use sick leave for personal illness or illness in the immediate family (wherever they live) which shall include the employee's spouse, children, parents, and in-laws (one day in case of serious illness or operation), plus any other relatives living in the same household. (Act 386 of 1975)
3. At the discretion of the principal (or Superintendent), the District may require a written statement of the employee's physician. Failure to provide such documentation of illness may result in sick leave not being paid, or in dismissal.
3. After an employee has used his/her sick leave, a deduction, the equivalent of an employee's daily rate of pay will be made for each day absent. This rate is computed by dividing the employees actual working days in the annual salary contract.
4. A record of sick leave used and accumulated shall be established and maintained by the school district for each of its employees. Employees shall be advised annually of the status of their accrued sick leave.
5. Personnel who have accumulated up to 90 days sick leave in the Lonoke School District will be paid at the end of each year for any unused days over 90 based on their current daily salary, not to exceed current substitute pay.
6. Retiring employees can be paid for all accumulated sick leave days at the current classified's substitute daily rate of pay.
7. When an employee takes sick leave, the district shall determine if the leave qualifies for FMLA leave. The district may request additional information from the employee to help make the applicability determination. If the leave qualifies under the FMLA, the district will notify the employee, either orally or in writing, of the decision within two workdays. If the leave is intermittent as defined in this policy and the circumstances of the leave don't change, the district is only required to notify the employee once of the determination regarding the applicability of sick leave and/or FMLA leave. To the extent the employee has accrued paid leave, any leave taken that qualifies for FMLA leave shall be paid leave and charged against the employee's accrued leave.

## **8.7—NONCERTIFIED PERSONNEL PERSONAL AND PROFESSIONAL LEAVE**

### **Personal Leave**

For the district to function efficiently and have the necessary personnel present to effect a high achieving learning environment, employee absences need to be kept to a minimum. The district acknowledges that there are times during the school year when employees have personal business that needs to be addressed during the school day. Each full-time employee shall receive two (2) days of personal leave per contract year. The leave may be taken in increments of no less than one half day.

Employees shall take personal leave or leave without pay for those absences which are not due to attendance at school functions and do not qualify for other types of leave (for sick leave see Policy 8.5, for professional leave see below).

School functions, for the purposes of this policy, means:

1. Athletic or academic events related to a public school district; and
2. Meetings and conferences related to education.

The determination of what activities meet the definition of a school function shall be made by the employee's immediate supervisor or designee. In no instance shall paid leave in excess of allotted vacation days and/or personal days be granted to an employee who is absent from work while receiving remuneration from another source as compensation for the reason for their absence.

Any employee desiring to take personal leave may do so by making a written request to his supervisor at least twenty-four (24) hours prior to the time of the requested leave. The twenty-four hour requirement may be waived by the supervisor when the supervisor deems it appropriate.

Employees who fail to report to work when their request for a personal day has been denied or who have exhausted their allotted personal days, shall lose their daily rate of pay for the day(s) missed (leave without pay). While there are instances where personal circumstances necessitate an employee's absence beyond the allotted days of sick and/or personal leave, any employee who requires leave without pay must receive advance permission (except in medical emergencies) from their immediate supervisor. Failure to report to work without having received permission to be absent is grounds for discipline, up to and including termination.

At the end of the school year, unused personal days may be transferred to sick leave.

Personal leave may not be taken the day before or the day after a holiday.

### **Professional Leave**

"Professional Leave" is leave granted for the purpose of enabling an employee to participate in professional activities (e.g., workshops or serving on professional committees) which can serve to improve the school district's instructional program or enhances the employee's ability to perform his duties. Professional leave will also be granted when a school district employee is subpoenaed for a matter arising out of the employee's employment with the school district. Any employee seeking

## **8.7—NONCERTIFIED PERSONNEL PERSONAL AND PROFESSIONAL LEAVE - continued**

professional leave must make a written request to his immediate supervisor, setting forth the information necessary for the supervisor to make an informed decision. The supervisor's decision is subject to review and overruling by the superintendent. Budgeting concerns and the potential benefit for the district's students will be taken into consideration in reviewing a request for professional leave.

Applications for professional leave should be made as soon as possible following the employee's discerning a need for such leave, but, in any case, no less than two (2) weeks before the requested leave is to begin, if possible.

If the employee does not receive or does not accept remuneration for their participation in the professional leave activity and a substitute is needed for the employee, the district shall pay the full cost of the substitute. If the employee receives and accepts remuneration for their participation in the professional leave activity, the employee shall forfeit his/her daily rate of pay from the district for the time the employee misses. The cost of a substitute, if one is needed, shall be paid by the employee/district.

## **8.8—NONCERTIFIED PERSONNEL RESPONSIBILITIES IN DEALING WITH SEX OFFENDERS ON CAMPUS**

Individuals who have been convicted of certain sex crimes must register with law enforcement as sex offenders. Arkansas law places restrictions on sex offenders with a Level 1 sex offender having the least restrictions (lowest likelihood of committing another sex crime), and Level 4 sex offenders having the most restrictions (highest likelihood of committing another sex crime).

While Levels 1 and 2 place no restrictions prohibiting the individual's presence on a school campus, Levels 3 and 4 have specific prohibitions. These are specified in Policy 6.12—SEX OFFENDERS ON CAMPUS (MEGAN'S LAW) and it is the responsibility of district staff to know and understand the policy and, to the extent requested aid school administrators in enforcing the restrictions placed on campus access to Level 3 and Level 4 sex offenders.

It is the intention of the board of directors that district staff not stigmatize students whose parents or guardians are sex offenders while taking necessary steps to safeguard the school community and comply with state law. Each school's administration should establish procedures so attention is not drawn to the accommodations necessary for registered sex offender parents or guardians.

## **8.9—PUBLIC OFFICE – NONCERTIFIED PERSONNEL**

An employee of the District who is elected to the Arkansas General Assembly or any elective or appointive public office (not legally constitutionally inconsistent with employment by a public school district) shall not be discharged or demoted as a result of such service.

No paid leave will be granted for the employee's participation in such public office. The employee may receive pay for personal leave or vacation (if applicable), if approved in advance by the Superintendent, during his absence.

Prior to taking leave, and as soon as possible after the need for such leave is discerned by the employee, he must make written request for leave to the Superintendent, setting out, to the degree possible, the dates such leave is needed.

An employee who fraudulently requests sick leave for the purpose of taking leave to serve in public office may be subject to nonrenewal or termination of his employment contract.

## **8.10—JURY DUTY OR COURT APPEARANCE LEAVE**

Any employee subpoenaed for jury duty or court appearance which prevents the accomplishment of regularly assigned responsibilities shall be entitled to a temporary leave of absence without loss of pay or leave benefits upon giving reasonable notice to the District through the employee's immediate supervisor. The District will pay any employee full salary provided that said employee agrees to return to the District all pay received for such duty, less receipted parking.

## **8.11—OVERTIME, LEAVE OF ABSENCE AND COMPENSATORY PAY FOR EMPLOYEES SUBJECT TO THE FAIR LABOR STANDARDS ACT**

### **Purpose**

The purpose of this policy is to ensure that the Lonoke School District (the “District”) complies with the minimum wage, overtime pay, compensatory pay and record keeping requirements of the Fair Labor Standards Act (FLSA) of the United States. The FLSA requires that overtime be paid to non-exempt employees either in the form of monetary compensation or compensatory time at the rate of 1.5 times the regular hourly rate of pay for the number of hours worked in *excess of 40 hours per week*.

### **Exempt Employees**

Certain employees are exempt from coverage under the FLSA and are not subject to compensation for overtime work. Exempt employees include executive, administrative, and professional employees such as teachers, counselors, supervisors, and administrators. Employees or supervisors who are unsure if an employee is exempt from coverage should consult with the District’s Administration.

### **Covered Employees**

All employees in the job classification listed below are non-exempt employees and are therefore covered under the FLSA: Teacher aides, bookkeepers, bus drivers, custodians, food service workers, maintenance personnel, receptionists, secretaries, transportation staff and non-teaching staff (no teaching certification required).

### **Employment Relationships**

An employment relationship is not created between student teachers or students and the District.

An employment relationship is not created between the District and individuals who volunteer or donate their time to the District as a public service without contemplation of pay.

The hiring of off-duty policemen or deputies on a part-time basis by the District for crowd control or for security purposes does not create a joint employment relationship between the District and the employers of the policemen or deputy. The District is separate and distinct and acts entirely independent of other governmental entities.

A joint-employee relationship does not exist between the District and any entity contracted to provide transportation services, security services or other services.

### **Hours Worked**

The workweek for the District begins on Monday and ends on Sunday. Each employee subject to the FLSA shall be paid for all hours worked. Compensable time includes all time that an employee is required to be on duty.

## **8.11—OVERTIME, LEAVE OF ABSENCE AND COMPENSATORY PAY FOR EMPLOYEES SUBJECT TO THE FAIR LABOR STANDARDS ACT - continued**

Hours shall be accurately recorded by each employee in the manner provided by the District. Employees shall record the exact time of arrival and departure from work. Employees are expected to arrive and depart at or about the time specified by the District, unless requested to work overtime by his or her immediate supervisor. All overtime shall be recorded by each employee by time sheet or by time clock.

They will sign in and sign out at their identified work site. They will also sign out for meal periods and other instances in which they are not working.

Supervisors and building-level principals shall review and approve each time record or sign-in sheet weekly.

All employees must sign in for themselves. Any employee who clocks in or out or signs in or out for another employee will be subject to dismissal. Any employee who asks another employee to clock in or out or sign in or out for him or her will be subject to dismissal.

Every non-exempt employee will review and report any discrepancies in their time records. They are required to sign the time sheet verifying that the time sheet reflects a true and accurate record of hours worked that pay period.

### **Breaks and Meal Periods**

The District is not obligated or required to provide meal periods but will provide two (2) fifteen minute breaks per day for employees who work more than twenty (20) hours per week. Meal periods in which employees are not relieved of duty are compensable. Those employees with bona fide meal periods shall be completely relieved of duty for the purpose of eating a regular meal and shall be free to leave the work site during this period.

### **Basic Monetary Requirements**

Employees subject to FLSA shall be paid not less than the current minimum wage.

### **Overtime Pay**

Generally, employees subject to FLSA shall be paid not less than 1.5 times his or her regular rate of pay for all hours worked over 40 in a workweek. For those employees working two or more jobs for the District, overtime pay shall be calculated on the basis of a blended hourly rate on all jobs worked calculated by dividing the total amount of remuneration received in a work week by the total hours worked in that work week. The employee shall be paid one-half of the blended hourly rate times the number of hours worked over 40.

## **8.11—OVERTIME, LEAVE OF ABSENCE AND COMPENSATORY PAY FOR EMPLOYEES SUBJECT TO THE FAIR LABOR STANDARDS ACT - continued**

Overtime pay due an employee shall be computed on the basis of the hours worked in each workweek and the overtime compensation earned by an employee shall be paid on the next regular payday for the workweek in which the overtime was worked. Overtime or compensatory pay may not be waived by an agreement between employer and employees.

The granting of compensatory time off in lieu of paying overtime pay is permitted provided compensatory time is awarded on a one-and-one-half time basis for each hour of overtime worked. The District reserves the right to grant compensatory time in lieu of paying employees monetary compensation. The supervisor and employee must have a written agreement or understanding that the employee will receive compensatory time before the work is performed. The employee may accumulate a maximum of 40 hours compensatory time hours. The employee must take the compensatory time when it is agreeable with the supervisor.

### **Regular Rate of Pay**

Any overtime pay will be based on the employee's regular rate which will include all remuneration for employment. For those employees paid a simple hourly rate the overtime will be based on that hourly rate. For those employees paid on a salary basis, the monthly salary will be reduced to its hourly rate equivalent. Employees shall be paid for each and every hour worked.

### **Authorization for Overtime Work Required**

Each District employee responsible for the supervision of employees subject to the FLSA shall, prior to permitting any overtime work, receive authorization from the Supervisor.

Non-exempt employees who work overtime/compensatory time without prior approval must be allowed to claim the hours worked in accordance with the FLSA. If the supervisor determines that the work was unforeseen or emergency in nature, it should be approved. If the supervisor determines that the performance of the work was unnecessary at the time it was performed, the hours worked must be paid to the employee, but disciplinary action must be taken for failure to follow established policy.

### **Record Keeping**

The Superintendent shall require all records on wage, hours and other items listed in the record keeping regulations to be kept by the business office for time specified by the FLSA.

The Superintendent or his or her designee shall secure a sufficient quantity of minimum wage posters. One poster shall be displayed in each District work site.

**8.11—OVERTIME, LEAVE OF ABSENCE AND COMPENSATORY PAY FOR EMPLOYEES  
SUBJECT TO THE FAIR LABOR STANDARDS ACT - continued**

**Leave Requests**

All non-exempt employees are required to submit a leave form when they are absent from work. The leave form must reflect the reason for the absence and it must fall within current Lonoke School District Board Policy. Any leave outside board policy requires prior approval of the board. It is the responsibility of the employee to submit a leave form, prior to the requested leave if possible, or in the event of an unforeseen or emergency leave, the form is to be completed the day the employee returns to work.

**8.11—OVERTIME, LEAVE OF ABSENCE AND COMPENSATORY PAY FOR EMPLOYEES  
SUBJECT TO THE FAIR LABOR STANDARDS ACT - continued**

All payment for leave is entered into the time records (non-worked hours) from the leave forms. If an employee fails to submit a leave form, or is late submitting the form, it could delay or cause payment for the leave not to occur.

Date Adopted: June 14, 2004

## **8.12— NONCERTIFIED PERSONNEL OUTSIDE EMPLOYMENT**

An employee of the District may not be employed in any other capacity during regular working hours.

An employee may not accept employment outside of his district employment which will interfere, or otherwise be incompatible with the District employment, including normal duties outside the regular work day; nor shall an employee accept other employment which is inappropriate for an employee of a public school.

The Superintendent, or his designee(s), shall be responsible for determining whether outside employment is incompatible, conflicting, or inappropriate.

## **8.13—NON-CERTIFIED COMPENSATION GUIDES AND CONTRACTS**

Salaries for non-certified personnel shall be established by the Board upon the recommendation of the Superintendent, at a rate commensurate with the duties performed and the prevailing wage of the area.

The term of employment of such employees shall be continuous as long as their services are satisfactory or until their particular type of service is discontinued. Written contracts may be issued by the Board.

Employees are covered by the state Worker's Compensation plan (80-1237). (Cf. EGA).

Noncertified employees may be required - by a supervisor or circumstances - to work in excess of their contracted or customary shifts. In such cases, the employee may be entitled to compensatory time off, hour-for-hour, for additional work.

Compensation time shall not carry over from one contracted year to the next, and earned time may be taken off from work only with the permission of the employee's immediate supervisor.

The request for compensatory time shall be made in writing specifying the number of hours to be taken and date and, further, specify the dates on which such extra work was performed.

In order to qualify as work which entitles the employee to compensatory time off, the employee is responsible for providing time records to his/her immediate supervisor within five (5) working days of the extra time actually worked.

This policy does not abrogate the requirement that extra time worked (i.e., "overtime") be approved in advance.

Hours on duty for each employee are determined by the superintendent in cooperation with the principal of the school or the supervisor of the department to which the person is assigned.

Only the superintendent can authorize overtime.

Date Adopted: June 14, 2004

## **8.14—INSULT OR ABUSE OF EMPLOYEE**

Employees are protected from abusive language and conduct by state law. An employee may report to the police any language which is calculated to:

1. Cause a breach of the peace;
2. Materially and substantially interfere with the operation of the school; and/or
3. Arouse the person to whom the language is addressed to anger, to the extent likely to cause imminent retaliation.

Employees are free to engage in political activity outside of work hours and to the extent that it does not affect the performance of their duties or adversely affect important working relationships.

It is specifically forbidden for employees to engage in political activities on the school grounds or during work hours. The following activities are forbidden on school property:

1. Using students for preparation or dissemination of campaign materials;
2. Distributing political materials;

## **8.18— NONCERTIFIED PERSONNEL DEBTS**

All employees are expected to meet their financial obligations. If an employee writes “hot” checks or has his income garnished, dismissal may result.

An employee will not be dismissed for having been the subject of one (1) garnishment. However, a second or third garnishment may result in dismissal.

At the discretion of the Superintendent, he or his designee may meet with an employee who has received a second garnishment for the purpose of warning the employee that a third garnishment will result in a recommendation of dismissal to the School Board.

At the discretion of the Superintendent, a second garnishment may be used as a basis for a recommended dismissal. The Superintendent may take into consideration other factors in deciding whether to recommend dismissal based on a second garnishment. Those factors may include, but are not limited to, the amount of the debt, the time between the first and the second garnishment, and other financial problems which come to the attention of the District.

## 8.19— NONCERTIFIED PERSONNEL GRIEVANCES

The purpose of this policy is to provide an orderly process for employees to resolve, at the lowest possible level, their concerns related to the personnel policies or salary payments of this district.

### **Definitions**

Grievance: a claim or concern related to the interpretation, application, or claimed violation of the personnel policies, including salary schedules, federal or state laws and regulations, or terms or conditions of employment, raised by an individual employee of this school district. Other matters for which the means of resolution are provided or foreclosed by statute or administrative procedures shall not be considered grievances. Specifically, no grievance may be entertained against a supervisor for directing, instructing, reprimanding, or “writing up” an employee under his/her supervision. A group of employees who have the same grievance may file a group grievance.

Group Grievance: A grievance may be filed as a group grievance if it meets the following criteria: (meeting the criteria does not ensure that the subject of the grievance is, in fact, grievable)

1. More than one individual has interest in the matter; and
2. The group has a well-defined common interest in the facts and/or circumstances of the grievance; and
3. The group has designated an employee spokesperson to meet with administration and/or the board; and
4. All individuals within the group are requesting the same relief.

Employee: any person employed under a written contract by this school district.

Immediate Supervisor: the person immediately superior to an employee who directs and supervises the work of that employee.

Working day: Any weekday other than a holiday whether or not the employee under the provisions of their contract is scheduled to work or whether they are currently under contract.

### **Process**

Level One: An employee who believes that he/she has a grievance shall inform that employee’s immediate supervisor that the employee has a potential grievance and discuss the matter with the supervisor within five working days of the occurrence of the grievance. The supervisor shall offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. (The five-day requirement does not apply to grievances concerning back pay.) If the grievance is not advanced to Level Two within five working days following the conference, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

If the grievance cannot be resolved by the immediate supervisor, the employee can advance the grievance to Level Two. To do this, the employee must complete the top half of the Level Two Grievance Form within five working days of the discussion with the immediate supervisor, citing the manner in which the specific personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her immediate supervisor. The supervisor will have ten working

## 8.19— NONCERTIFIED PERSONNEL GRIEVANCES - continued

days to respond to the grievance using the bottom half of the Level Two Grievance Form which he/she will submit to the building principal or, in the event that the employee's immediate supervisor is the building principal, the superintendent.

Level Two (when appeal is to the building principal): Upon receipt of a Level Two Grievance Form, the building principal will have ten working days to schedule a conference with the employee filing the grievance. The principal shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the principal will have ten working days in which to deliver a written response to the grievance to the employee. If the grievance is not advanced to Level Three within five working days the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

Level Two (when appeal is to the superintendent): Upon receipt of a Level Two Grievance Form, the superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Level Three: If the proper recipient of the Level Two Grievance was the building principal, and the employee remains unsatisfied with the written response to the grievance, the employee may advance the grievance to the superintendent by submitting a copy of the Level Two Grievance Form and the principal's reply to the superintendent within five working days of his/her receipt of the principal's reply. The superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Appeal to the Board of Directors: An employee who remains unsatisfied by the written response of the superintendent may appeal the superintendent's decision to the Board of Education within five working days of his/her receipt of the Superintendent's written response by submitting a written request for a board hearing to the superintendent. If the grievance is not appealed to the Board of Directors within five working days of his/her receipt of the superintendent's response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

The school board will address the grievance at the next regular meeting of the school board, unless the employee agrees in writing to an alternate date for the hearing. After reviewing the Level Two Grievance Form and the superintendent's reply, the board will decide if the grievance, on its face, is grievable under district policy. If the grievance is presented as a "group grievance," the Board shall first determine if the composition of the group meets the definition of a "group grievance." If the Board determines that it is a group grievance, the Board shall then determine whether the matter raised is grievable. If the Board rules the composition of the group does not meet the definition of a group grievance, or the grievance, whether group or individual, is not grievable, the matter shall be considered closed. (Individuals within the disallowed group may choose to subsequently refile their

## **8.19— NONCERTIFIED PERSONNEL GRIEVANCES - continued**

grievance as an individual grievance beginning with Level One of the process.) If the Board rules the grievance to be grievable, they shall immediately commence a hearing on the grievance. All parties have the right to representation by a person of their own choosing who is not a member of the employee's immediate family at the appeal hearing before the Board of Directors. The employee shall have no less than 90 minutes to present his/her grievance, unless a shorter period is agreed to by the employee, and both parties shall have the opportunity to present and question witnesses. The hearing shall be open to the public unless the employee requests a private hearing. If the hearing is open, the parent or guardian of any student under the age of eighteen years who gives testimony may elect to have the student's testimony given in closed session. At the conclusion of the hearing, if the hearing was closed, the Board of Directors may excuse all parties except board members and deliberate, by themselves, on the hearing. At the conclusion of an open hearing, board deliberations shall also be in open session unless the board is deliberating the employment, appointment, promotion, demotion, disciplining, or resignation of the employee. A decision on the grievance shall be announced no later than the next regular board meeting.

### **Records**

Records related to grievances will be filed separately and will not be kept in, or made part of, the personnel file of any employee.

### **Reprisals**

No reprisals of any kind will be taken or tolerated against any employee because he/she has filed or advanced a grievance under this policy.

## **8.20—SEXUAL HARASSMENT**

The Lonoke School District is committed to having an academic and work environment in which all students and employees are treated with respect and dignity. Student achievement and amicable working relationships are best attained in an atmosphere of equal educational and employment opportunity that is free of discrimination. Sexual harassment is a form of discrimination that undermines the integrity of the educational environment and will not be tolerated.

Believing that prevention is the best policy, the district will periodically inform students and employees about the nature of sexual harassment, the procedures for registering a complaint, and the possible redress that is available. The information will stress that the district does not tolerate sexual harassment without fear of adverse consequences.

It shall be a violation of this policy for any student or employee to be subjected to, or to subject another person to, sexual harassment as defined in this policy. Any employee found, after an investigation, to have engaged in sexual harassment will be subject to disciplinary action up to, and including, termination.

Sexual harassment refers to unwelcome sexual advances, requests for sexual favors, or other personally offensive verbal, visual, or physical conduct of a sexual nature made by someone under any of the following conditions:

Submission to the conduct is made, either explicitly or implicitly, a term or condition of an individual's education or employment; Submission to, or rejection of, such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; and/or Such conduct has the purpose or effect of substantially interfering with an individual's academic or work performance or creates an intimidating, hostile, or offensive academic or work environment.

The terms "intimidating," "hostile," and "offensive" include conduct of a sexual nature which has the effect of humiliation or embarrassment and is sufficiently severe, persistent, or pervasive that it limits the student's or employee's ability to participate in, or benefit from, an educational program or activity or their employment environment.

Within the educational or work environment, sexual harassment is prohibited between any of the following: students; employees and students; non-employees and students; employees; employees and non-employees.

Actionable sexual harassment is generally established when an individual is exposed to a pattern of objectionable behaviors or when a single, serious act is committed. What is, or is not, sexual harassment will depend upon all of the surrounding circumstances. Depending upon such circumstances, examples of sexual harassment include, but are not limited to: unwelcome touching; crude jokes or pictures; discussions of sexual experiences; pressure for sexual activity; Intimidation by words, actions, insults, or name calling; teasing related to sexual characteristics; and spreading rumors related to a person's alleged sexual activities.

Employees who believe they have been subjected to sexual harassment are encouraged to file a complaint by contacting their immediate supervisor, administrator, or Title IX coordinator who will

## **8.20—SEXUAL HARASSMENT - continued**

assist them in the complaint process. Under no circumstances shall an employee be required to first report allegations of sexual harassment to a school contact person if that person is the individual who is accused of the harassment. To the extent possible, complaints will be treated in a confidential manner. Limited disclosure may be necessary in order to complete a thorough investigation.

Employees who file a complaint of sexual harassment will not be subject to retaliation or reprisal in any form.

Employees who knowingly fabricate allegations of sexual harassment shall be subject to disciplinary action up to and including termination.

Individuals who withhold information, purposely provide inaccurate facts, or otherwise hinder an investigation of sexual harassment shall be subject to disciplinary action up to and including termination.

## 8.23—FAMILY MEDICAL LEAVE

### Policy

The provisions of this policy are intended to be in line with the provisions of the FMLA. If any conflict(s) exist, the Family Medical Leave Act of 1993 as amended shall govern.

### Leave Eligibility

The Lonoke School District will grant up to twelve (12) weeks of leave in a year in accordance with the Family Medical Leave Act of 1993 (FMLA) as amended to its eligible employees who have been employed by the District for at least twelve (12) months and for 1250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave. The twelve (12) month period of eligibility shall begin on the first duty day of the school year. Leave will be granted for one or more of the following reasons:

1. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. To care for the spouse, son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition; and
4. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.
5. Because of any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.
6. To care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury.

The entitlement to leave for reasons 1 and 2 listed above shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a **covered service member** shall be entitled to a total of 26 weeks of leave during one 12-month period to care for the service member who has a serious injury or illness as defined in this policy. An eligible employee who cares for such a covered service member is limited for reasons 1 through 5 listed above to a total of 12 weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for 16 weeks during a 12 month period could only take a total of 10 weeks for reasons 1 through 5.

## **8.23—FAMILY MEDICAL LEAVE - continued**

If husband and wife are both eligible employees employed by the district, the husband and wife are entitled to a total of 26 weeks of leave during one 12-month period to care for their spouse, son, daughter, parent, or next of kin who is a **covered service member** with a serious injury or illness as defined in this policy. A husband and wife who care for such a covered service member is limited for reasons 1 through 5 listed above to a total of 12 weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for 16 weeks during a 12 month period could only take a total of 10 weeks for reasons 1 through 5.

If both the husband and wife are employed by the district and entitled to leave as defined above, the District may, as determined by the needs of the District, limit their leave to a combined total of twelve (12) weeks when taken for reasons 1 or 2 listed above or to care for a parent with a serious health condition.

### **Employee Notice to District**

#### Foreseeable:

When the need for leave is foreseeable for reasons 1 through 4 or 6 listed above, the employee shall provide the District with not less than (30) days notice before the date the leave is to begin of the employee's intention to take leave for the specified reason, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

When the necessity for leave for reason 5 listed above is foreseeable, whether because the spouse, son, daughter, or parent of the employee is on covered active duty, or because of notification of an impending call or order to covered active duty, the employee shall provide such notice to the district as is reasonable and practicable regardless of how far in advance the leave is foreseeable.

When the need for leave is for reasons 3 or 6 listed above, the employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the district subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee. Failure by the employee to give thirty (30) days notice may delay the taking of FMLA leave until at least thirty (30) days after the date the employee provides notice to the District.

#### Unforeseeable:

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means.

### **Medical Certification**

When the need for leave is for reasons 3, 4, or 6 listed above, the employee should provide a medical certification from a licensed, practicing health care provider supporting the need for leave at the time

## **8.23—FAMILY MEDICAL LEAVE - continued**

the notice for leave is given, but must provide certification at least fifteen (15) days prior to the date the leave is to begin. The certification shall include the date on which the serious health condition began, the probable duration of the condition, and the appropriate medical facts within the knowledge of the health care provider regarding the condition. Leave taken for reason 3 listed above, must include certification that the eligible employee is needed to care for the son, daughter, spouse, or parent and an estimate of the amount of time the employee is needed to provide the care. For reason 4 listed above, the certification must include a statement that the employee is unable to perform the required functions of his/her position.

If FMLA leave is to be taken on an intermittent or reduced work schedule basis for planned medical treatment, the certification shall include the dates on which such treatment is expected to be given and the duration of such treatment.

Second Opinion: In any case where the District has reason to doubt the validity of the certification provided, the District may require, at its expense, the employee to obtain the opinion of a second health care provider designated or approved by the employer. If the second opinion differs from the first, the District may require, at its expense, the employee to obtain a third opinion from a health care provider agreed upon by both the District and the employee. The opinion of the third health care provider shall be considered final and be binding upon both the District and the employee.

Recertification: The District may request the employee obtain a recertification, at the employee's expense, no more often than every thirty (30) days unless one or more of the following circumstances apply;

- a. The employee requests an extension of leave;
- b. Circumstances described by the previous certification have changed significantly; and/or
- c. The District receives information that casts doubt upon the continuing validity of the certification.

The employee must provide the recertification in no more than fifteen (15) calendar days after the District's request.

No second or third opinion on recertification may be required.

### **Sick Leave and Family Medical Leave Act (FMLA) Leave**

When an employee takes sick leave, the district shall determine if the leave qualifies for FMLA leave. The district may request additional information from the employee to help make the applicability determination. If the leave qualifies under the FMLA, the district will notify the employee, either orally or in writing, of the decision within two workdays. If the leave is intermittent or on a reduced schedule as defined in this policy and the circumstances of the leave don't change, the district is only required to notify the employee once of the determination regarding the applicability of sick leave and/or FMLA leave. To the extent the employee has accrued paid leave, any leave taken that qualifies for FMLA leave shall be paid leave and charged against the employee's accrued leave.

## **8.23—FAMILY MEDICAL LEAVE - continued**

### **Concurrent Leave**

The District requires employees to substitute any applicable accrued leave for any part of the twelve (12) week period of FMLA leave. All FMLA leave is unpaid unless substituted by applicable accrued leave.

Workers Compensation: FMLA leave may run concurrently with a workers' compensation absence when the injury is one that meets the criteria for a serious health condition.

### **Health Insurance Coverage**

The District shall maintain coverage under any group health plan for the duration of FMLA leave the employee takes at the level and under the conditions coverage would have been provided if the employee had continued in active employment with the District. The employee remains responsible for any portion of premium payments customarily paid by the employee. When on unpaid FMLA leave, it is the employee's responsibility to submit his/her portion of the cost of the group health plan coverage to the District's business office on or before it would be made by payroll deduction.

If an employee gives unequivocal notice of intent not to return to work, or if the employment relationship would have terminated if the employee had not taken FMLA leave the district's obligation to maintain health benefits ceases.

If the employee fails to return from leave after the period of leave to which the employee was entitled has expired, the District may recover the premiums it paid to maintain health care coverage unless:

- a. The employee fails to return to work due to the continuation, reoccurrence, or onset of a serious health condition that entitles the employee to leave under reasons 3 or 4 listed above; or
- b. Other circumstances exist beyond the employee's control.

Circumstances under "a" listed above shall be certified by a licensed, practicing health care provider verifying the employee's inability to return to work.

### **Reporting Requirements During Leave**

Employees shall inform the District every two weeks during FMLA leave of their current status and intent to return to work.

### **Return to Work**

Medical Certification: An employee who has taken FMLA leave under reason 4 stated above shall provide the District with certification from a health care provider that the employee is able to resume work.

Return to Previous Position: An employee returning from FMLA leave is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An equivalent position must involve the same or substantially similar duties and responsibilities, which must entail substantially

## **8.23—FAMILY MEDICAL LEAVE - continued**

equivalent skill, effort, and authority. The employee may not be restored to a position requiring additional licensure or certification.

**Failure to Return to Work:** In the event that an employee is unable or fails to return to work, the Superintendent will make a determination at that time regarding the documented need for a severance of the employees contract due to the inability of the employee to fulfill the responsibilities and requirements of their contract.

### **Intermittent Leave**

The District will honor employee requests for intermittent leave as prescribed by the FMLA and that are in the best interests of the District.

## **8.24—SCHOOL BUS DRIVER’S USE OF CELL PHONES**

Any driver of a motor vehicle which is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District, and is operated for the transportation of children to or from school or school sponsored activity shall not operate a cell phone unless the vehicle is safely off the road with the parking brake engaged. The offer of employment is also conditioned upon the employee's signing an authorization for the request for information by the district from the Commercial Driver Alcohol and Drug Testing Database.

### **Methods of Testing**

The collection, testing methods and standards shall be determined by the agency or other medical organizations chosen by the School Board to conduct the collection and testing of samples. The drug and alcohol testing is to be conducted by a laboratory certified pursuant to the most recent guidelines issued by the United States Department of Health and Human Services for such facilities. ("Mandatory Guidelines for Federal Workplace Drug Testing Programs").

4. All time spent repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

### **Requirements**

Employees shall be drug and alcohol free from the time the employee is required to be ready to work until the employee is relieved from the responsibility for performing work and/or any time they are performing a safety-sensitive function. In addition to the testing required as an initial condition of employment, employees shall submit to subsequent drug tests as required by law and/or regulation. Subsequent testing includes, and/or is triggered by, but is not limited to:

1. Random tests;
2. Testing in conjunction with an accident;
3. Receiving a citation for a moving traffic violation; and

- E. No driver shall refuse to submit to an alcohol or drug test in conjunction with # 1, 2, and/or 4 above;
- F. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when using any controlled substance, except when used pursuant to the instructions of a licensed medical practitioner, knowledgeable of the driver's job responsibilities, who has advised the driver that the substance will not adversely affect the driver's ability to safely operate his/her vehicle. It is the employee's responsibility to inform his/her supervisor of the employee's use of such medication;
- G. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Violation of any of these prohibitions may lead to disciplinary action being taken against the employee, which could include termination or non-renewal.

#### **Testing for Cause**

Drivers involved in an accident in which there is a loss of another person's life shall be tested for alcohol and controlled substances as soon as practicable following the accident. Drivers shall also be tested for alcohol within eight (8) hours and for controlled substances within thirty two (32) hours following an accident for which they receive a citation for a moving traffic violation if the accident involved: 1) bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident, or 2) one or more motor vehicles incurs disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

### Consequences for Violations

Drivers who engage in any conduct prohibited by this policy, who refuse to take a required drug or alcohol test, refuse to sign the request for information required by law, or who exceed the acceptable limits for the respective tests shall no longer be allowed to perform safety sensitive functions. Actions regarding their continued employment shall be taken in relation to their inability to perform these functions and could include termination or non-renewal of their contract of employment.

Drivers who exhibit signs of violating the prohibitions of this policy relating to alcohol or controlled substances shall not be allowed to perform or continue to perform safety-sensitive functions if they exhibit those signs during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the provisions of this policy. This action shall be based on specific, contemporaneous, articulatable observations concerning the behavior, speech, or body odors of the driver. The Superintendent or his/her designee shall require the driver to submit to “reasonable suspicion” tests for alcohol and controlled substances. The direction to submit to such tests must be made just before, just after, or during the time the driver is performing safety-sensitive functions. If circumstances prohibit the testing of the driver the Superintendent or his/her designee shall remove the driver from reporting for, or remaining on, duty for a minimum of 24 hours from the time the observation was made triggering the driver’s removal from duty.

If the results for an alcohol test administered to a driver is equal to or greater than 0.02, but less than 0.04, the driver shall be prohibited from performing safety-sensitive functions for a period not less than 24 hours from the time the test was administered. Unless the loss of duty time triggers other employment consequence policies, no further other action against the driver is authorized by this policy for test results showing an alcohol concentration of less than 0.04.

## **8.40—NONCERTIFIED PERSONNEL REDUCTION IN FORCE**

### **SECTION ONE**

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a reduction in force, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards of Accreditation for Arkansas Public Schools and/or the North Central Association; and the needs of the district. A reduction in force will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any reduction in force will be conducted by evaluating the needs and long- and short-term goals of the school district in relation to the staffing of the district.

If a reduction in force becomes necessary, the RIF shall be conducted separately for each occupational category of classified personnel identified within the district on the basis of each employee's years of service. The employee within each occupational category with the least years of experience will be laid off first. The employee with the most years of employment in the district as compared to other employees in the same category shall be laid off last. In the event that employees within a given occupational category have the same length of service to the district the one with the earlier hire date, based on date of board action, will prevail.

All credited years of service must be verified by documents on file with the District by October 1 of the current school year. All non-certified employees shall receive a listing of the personnel within their category with corresponding point totals. Upon receipt of the list, each employee has ten (10) working days within which to appeal his or her assignment of points with the superintendent whose decision shall be final.

Total years of service to the district shall include non-continuous years of service; in other words, an employee who left the district and returned later will have the total years of service counted, from all periods of employment. Working fewer than 120 days in a school year shall not constitute a year. Length of service in a certified position shall not count for the purpose of length of service for a non-certified position. There is no right or implied right for any employee to "bump" or displace any other employee. This specifically does not allow a certified employee who might wish to assume a classified position to displace a classified employee.

Pursuant to any reduction in force brought about by consolidation or annexation and as a part of it, the salaries of all employees will be brought into compliance, by a partial RIF if necessary, with the receiving district's salary schedule. Further adjustments will be made if length of contract or job assignments change. A Partial RIF may also be conducted in conjunction with any job reassignment whether or not it is conducted in relation to an annexation or consolidation.

#### **8.40—NONCERTIFIED PERSONNEL REDUCTION IN FORCE - continued**

If an employee is non-renewed under this policy, he or she shall be offered an opportunity to fill a vacancy for which he or she is qualified for a period of up to two (2) years. The non-renewed employee shall be recalled for a period of two (2) years in reverse order of the layoff to any position for which he or she is qualified. Notice of vacancies to non-renewed employees shall be by certified mail and they shall have 10 working days from the date that the notification is received in which to accept the offer of a position. A lack of response or a non-renewed employee's refusal of a position shall end the district's obligation to replace the laid-off employee.

## **8.41—NONCERTIFIED PERSONNEL WHO ARE MANDATORY REPORTERS DUTY TO REPORT CHILD ABUSE, MALTREATMENT OR NEGLECT**

It is the statutory duty of noncertified school district employees **who are mandatory reporters** and who have reasonable cause to suspect child abuse or maltreatment to directly and personally report these suspicions to the Arkansas Child Abuse Hotline, by calling 1-800-482-5964. Failure to report suspected child abuse, maltreatment or neglect by calling the Hotline can lead to criminal prosecution and individual civil liability of the person who has this duty. Notification of local or state law enforcement does not satisfy the duty to report; only notification by means of the Child Abuse Hotline discharges this duty.

The duty to report suspected child abuse or maltreatment is a direct and personal duty for statutory mandatory reporters, and cannot be assigned or delegated to another person. There is no duty to investigate, confirm or substantiate statements a student may have made which form the basis of the reasonable cause to believe that the student may have been abused or subjected to maltreatment by another person; however, a person with a duty to report may find it helpful to make a limited inquiry to assist in the formation of a belief that child abuse, maltreatment or neglect has occurred, or to rule out such a belief. Employees and volunteers who call the Child Abuse Hotline in good faith are immune from civil liability and criminal prosecution.

By law, no school district or school district employee may prohibit or restrict an employee or volunteer **who is a mandatory reporter** from directly reporting suspected child abuse or maltreatment, or require that any person notify or seek permission from any person before making a report to the Child Abuse Hotline.

## **8.42—NONCERTIFIED PERSONNEL VIDEO SURVEILLANCE AND OTHER MONITORING**

The Board of Directors has a responsibility to maintain discipline, protect the safety, security, and welfare of its students, staff, and visitors while at the same time safeguarding district facilities, vehicles, and equipment. As part of fulfilling this responsibility, the board authorizes the use of video/audio surveillance cameras, automatic identification, data compilation devices, and technology capable of tracking the physical location of district equipment, students, and/or personnel.

The placement of video/audio surveillance cameras shall be based on the presumption and belief that students, staff and visitors have no reasonable expectation of privacy anywhere on or near school property, facilities, vehicles, or equipment, with the exception of places such as rest rooms or dressing areas where an expectation of bodily privacy is reasonable and customary.

Signs shall be posted on district property and in or on district vehicles to notify students, staff, and visitors that video cameras may be in use. Violations of school personnel policies or laws caught by the cameras and other technologies authorized in this policy may result in disciplinary action.

The district shall retain copies of video recordings until they are erased which may be accomplished by either deletion or copying over with a new recording.

Videos, automatic identification, or data compilations containing evidence of a violation of district personnel policies and/or state or federal law shall be retained until the issue of the misconduct is no longer subject to review or appeal as determined by board policy or staff handbook; any release or viewing of such records shall be in accordance with current law.

Staff who vandalize, damage, defeat, disable, or render inoperable (temporarily or permanently) surveillance cameras and equipment, automatic identification, or data compilation devices shall be subject to appropriate disciplinary action and referral to appropriate law enforcement authorities.

Video recordings and automatic identification or data compilation records may become a part of a staff member's personnel record.

## **8.46— NONCERTIFIED PERSONNEL DRUG FREE WORKPLACE**

The conduct of district staff plays a vital role in the social and behavioral development of our students. It is equally important that the staff have a safe, healthful, and professional environment in which to work. To help promote both interests, the district shall have a drug free workplace. It is, therefore, the district's policy that district employees are prohibited from the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, illegal drugs, inhalants, alcohol, as well as inappropriate or illegal use of prescription drugs. Such actions are prohibited both while at work or in the performance of official duties while off district property; violations of this policy will subject the employee to discipline, up to and including termination.

To help promote a drug free workplace, the district shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the district's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance abuse programs, and the penalties that may be imposed upon employees for drug abuse violations. Such services are available locally from Professional Counseling Associates.

Should any employee be found to have been under the influence of, or in illegal possession of, any illegal drug, or controlled substance or under the influence of alcohol, when engaged in any school or school-related activity, and the behavior of the employee, if under the influence, is such that it is inappropriate for a school employee in the opinion of the superintendent, the employee may be subject to discipline, up to and including termination.

Possession, use or distribution of drug paraphernalia by any employee, when engaged in school or school-related activities, may subject the employee to discipline, up to and including termination. Possession in one's vehicle or in an area subject to the employee's control will be considered to be possession as though the substance were on the employee's person.

It shall not be necessary for an employee to test at a level demonstrating intoxication by any substance in order to be subject to the terms of this policy. Any physical manifestation of being under the influence of a substance may subject an employee to the terms of this policy. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent and/or irrational speech; or the presence of an odor associated with a prohibited substance on one's breath or clothing.

Should an employee desire to provide the District with the results of a blood, breath or urine analysis, such results will be taken into account by the District only if the sample is provided within a time range that could provide meaningful results and only by a testing agency chosen or approved by the District. The District shall not request that the employee be tested, and the expense for such voluntary testing shall be borne by the employee.

Any employee who is charged with a violation of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances or alcohol, or of drug paraphernalia, must notify his immediate supervisor within five (5) week days (i.e., Monday through Friday, inclusive, excluding holidays) of being so charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately. If the supervisor is not available to the employee, the employee shall notify the Superintendent within the five (5) day period. Any employee so charged is

## **8.46— NONCERTIFIED PERSONNEL DRUG FREE WORKPLACE -- continued**

subject to discipline, up to and including termination. However, the failure of an employee to notify his supervisor or the Superintendent of having been so charged shall result in that employee being recommended for termination by the Superintendent.

Any employee convicted of any criminal drug statute violation for an offense that occurred while at work or in the performance of official duties while off district property shall report the conviction within 5 calendar days to the superintendent. Within 10 days of receiving such notification, whether from the employee or any other source, the district shall notify federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Any employee convicted of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances or alcohol, or of drug paraphernalia, shall be recommended for termination.

Any employee who must take prescription medication at the direction of the employee's physician, and who is impaired by the prescription medication such that he cannot properly perform his duties shall not report for duty. Any employee who reports for duty and is so impaired, as determined by his supervisor, will be sent home. The employee shall be given sick leave, if owed any. The District or employee will provide transportation for the employee, and the employee may not leave campus while operating any vehicle. It is the responsibility of the employee to contact his physician in order to adjust the medication, if possible, so that the employee may return to his job unimpaired. Should the employee attempt to return to work while impaired by prescription medications, for which the employee has a prescription, he will, again, be sent home and given sick leave, if owed any. Should the employee attempt to return to work while impaired by prescription medication a third time the employee may be subject to discipline, up to and including a recommendation of termination.

Any employee who possesses, uses, distributes or is under the influence of a prescription medication obtained by a means other than his own current prescription shall be treated as though he was in possession, possession with intent to deliver, or under the influence, etc. of an illegal substance. An illegal drug or other substance is one which is (a) not legally obtainable; or (b) one which is legally obtainable, but which has been obtained illegally. The District may require an employee to provide proof from his physician and/or pharmacist that the employee is lawfully able to receive such medication. Failure to provide such proof, to the satisfaction of the Superintendent, may result in discipline, up to and including a recommendation of termination.
